Restrictions on Use

Scripts may not be photocopied without permission of copyright holder.

Property rights to the physical object belong to the UC Regents. Literary rights, including copyright, are retained by the creators and their heirs. It is the responsibility of the researcher to determine who holds the copyright and pursue the copyright owner or his or her heir for permission to publish where The UC Regents do not hold the copyright.

Preferred Citation

De Forest Research Collection of Television Scripts, 1964-1986. (Collection PASC 63). UCLA Library Special Collections, Charles E. Young Research Library, UCLA.

Biography/History

The de Forest Research service started in 1952, was known for its script clearance service; the company was bought by Thompson and Thompson, Sept. 30, 1997.

Organization and Arrangement

Alphabetically arranged by title of television series

Scope and Content

Collection consists of scripts for television series and mini-series reviewed by the research firm de Forest Research, Inc. Includes a variety of scripts including, "WKRP in Cincinnati," "St. Elsewhere," "Sanford and Son," "Love Boat," "Young Doctor Kildare," and "Hogans's Heroes." Also includes complete script runs for a number of television series including, "All in the Family," "I Spy," "The Fugitive," and "The Brady Bunch."
